Boatowners Take Note Long Beach Marathon Weekend Events

On Sunday, October 7th, an estimated 26,000 runners, bikers, and walkers will be touring our city in the 29th annual Long Beach Marathon. This is a large event with great impact to our residents and visitors so please plan ahead, especially boaters in the Long Beach Shoreline Marina. For additional marathon information you can visit www.runlongbeach.com.

* On Saturday, October 6th, from 8:00 AM until 6:00 PM and Sunday, October 7th, Shoreline Drive, from Ocean to Linden, will be closed and the ONLY access into and out of the LBSM will be from Pine Ave. to Shoreline Drive to Shoreline Village Drive.

* On Sunday, October 7th from 3:00 AM until noon vehicle ingress and egress to the LBSM will be prohibited. If you need to use your vehicle to leave the marina between these hours, you will need to park in the Convention Center lot (by Linden). Make sure your LBSM parking pass is visible. You will be permitted to cross the course at any time during the event.

* On Saturday, October 6th, from 9:00 AM to noon there will be a Kids Fun Run near the Aquarium of the Pacific.

Event Schedule:

Friday: Oct. 5

Noon-6:00PM Free Health and Fitness Expo, Long Beach Convention Center

Saturday: Oct. 6

7:00 AM: Aquarium of the Pacific 5k

9:00 AM: 1-Mile Kids Fun Run, Aquarium of the Pacific

10:00AM-4:00 PM: Free Health and Fitness Expo, Long Beach Convention Center

*Shoreline Drive closed from 8:00AM-6:00PM

Sunday: Oct. 7

6:00 AM: Marathon, and 20 Mile Bike Tour

7:30 AM: Half Marathon, E. Shoreline Drive at the Marina Green is the designated Finish Line and Festival location.

*3:00AM-noon, vehicle ingress and egress to LBSM PROHIBITED.

If you have any questions, comments, or concerns contact Kimarie Vestre at (562) 570-3236 or via email at Kimarie.Vestre@longbeach.gov.

How To Operate Our New Pump Outs On Dock Holding Tank and Pump Out Service

As part of the Alamitos Bay Rebuild project we are now offering on-dock pump outs and it has been requested that we re-print the operating instructions. Remember, this equipment is new and we would like to last so please, treat it with respect. If you come across a pump out that is not working properly please call the marina office, (562) 570-3215, and let us know so we can arrange for the necessary repairs.

ON-DOCK PUMP OUT OPERATING INSTRUCTIONS

NOTE: ALTHOUGH THIS SYSTEM CREATES AN ABSOLUTE VACUUM, YOU WILL DECREASE THE VACUUM AT EACH STANCHION OR POINT OF PUMP-OUT IF YOU OPEN SEVERAL LINES SIMULTANEOUSLY.

Dock hose reels operate only at the area specified. (Labeled on the pump unit "Cart A Dock 30 – 32"). Hose reels are labeled near the on/off switch.

Instructions:

1. Remove the caps from both the hydrant (on the dock) and the green hose. Attach section of 1 ½" intake vacuum hose assembly to the stanchion via the cam lock/quick connect fittings. KEEP SUCTION HOSE BALL VALVE (yellow handles) SHUT WHILE STANCHION IS NOT IN OPERATION.

2. Rotate both (yellow) handles up to the vertical position.

3. Pull out only the amount of hose needed to reach your "waste through-hull" fitting on your vessel. Insert the nozzle in the fitting and open the valve.

4. Start system – push Green button on cart.

5. Lay the hose reel down so the start and stop buttons are down and the handle for the hose reel is up.

6. Perform pump-out until no sewage is visible passing through the sight glass on intake hose. Let air run through pump for short time to clean the line (3-5 seconds).

7. Run several gallons of water through system.

8. Pick up the hose reel and turn off the system – push Red button on cart.

9. Shut off the ball valve on the nozzle at the waste through-hull and remove.

10. Rotate both (yellow) handles on the hydrant and green hose and disconnect.

11. Replace both caps from both the hydrant and green hose.

12. Roll up the hoses and return the hose reel to its proper location.

Operation Tips & Notes:

A. If system is flushed regularly with water, the sewage build up problem will be mitigated.

B. It is advisable to open the flapper on the head to avoid the possibility of collapsing the holding tank.

C. Never leave the system running for an extended period of time.

Life is busy leave your laundry on us....

Rules and Regulations Recreation and Parking

A friendly reminder from our Rules and Regulations.

Recreational Vessel Insurance, Long Beach Marina:

The City of Long Beach Marine Bureau requires that recreational vessels in the marinas hold Liability insurance with limits of at least \$300,000 (Vessels operating under commercial slip permits are subject to additional insurance coverage requirements, typically at higher coverage levels, as determined by the City based on the specific business operations of the commercial operator. The City, its officials, employees, and volunteers shall be carried as insured under said liability insurance with respect to activities of Permittee (boat owner), and each policy shall be endorsed to state that coverage shall not be cancelled except after prior written notice has been given to the City.

Bicycles and Motorcycles:

No person shall roller skate, skateboard, ride bicycles or motorcycles on the docks and gangways within the Long Beach marinas, with the exception of City of Long Beach employees in the normal course of their duties.

Parking Information:

All vehicles must be moved every seventy-two (72) hours per Long Beach Municipal Code 10.30.070. Permittees requesting extended parking, due to trips beyond the seventy-two (72) hour requirement, may inquire with the Marina office for potential extended parking accommodations, understanding such requests are subject to review and administrative approval.

WARNING! Beware of Stowaways

Raccoons Threaten Island Ecosystems

Have you seen this masked intruder?

In recent years raccoons have begun making their way to Catalina Island aboard private vessels. Raccoons are not native to Catalina Island or any of the California Channel Islands and pose a serious threat to people, pets, wildlife and the delicate ecology of the islands.

If you observe a raccoon on your boat please contact one of the following:

Anytime Animal Control (800) 714-8727 All City Animal Trapping (877) 724-5314

(There is a charge for these services)

If you detect a raccoon on your boat mid-channel on a passage to Catalina, DO NOT proceed to the Island!

Thank you for your assistance in this matter.

CONSERVANCY

A Good Time Was Had By All Entertaining On Your Boat

Boats are often used for entertaining, which is great, but it is important to be mindful of your guests boating knowledge. It is recommended to educate your guests on boating basics prior to boarding and before getting underway. Here are a few suggestions:

- * When inviting guest to your boat remind them that proper shoes, with a non-skid sole, are the safest and help in preserving the deck.

- * Boat controls vary widely between make/models. It's important to brief all passengers on the basics of the vessel operation including engine/transmission controls and the proper engine shut down technique. Turning the start key to the off position does not shut down some engines and systems.

- * Whenever possible the vessel operator should not depart the vessel with the engines running.

- * Instruction should be given to passengers and crew on proper line handling while docking.

- * Even in the harbor life jackets should be worn by children and the elderly or less than capable swimmers.

- * Alcohol and boating don't mix.

- * Brief passengers on emergency procedures and "man overboard" protocol.

Do your part to keep passengers safe onboard your boat.
